EDUCATION **Bachelor of Science**, Human Nutrition: Dietetic Option
The Ohio State University, Columbus, Ohio
Graduated December, 2009
GPA: 3.5

Dietetic Internship

University of Delaware distance internship completed at Mount Carmel Health System, August 2011 to April 2012.

Board Certification

Certified Nutrition Support Clinician (CNSC) designated by the National Board of Nutrition Support Certification, November 2019 to November 2024.

EMPLOYMENT

OhioHealth

Critical Care Dietitian, August 2015 to Present.

Functions as a rotating team member of the OhioHealth Nutrition Support Team which services total parenteral nutrition (TPN) for six hospitals in the Columbus, Ohio region. On non-TPN weeks, MICU, SICU, and other units are covered throughout the OhioHealth system.

OhioHealth - Marion General Hospital

Clinical Dietitian, December 2013 to August 2015

Completes nutrition assessments, monitors nutrition care plans, and interacts with the interdisciplinary team members in care rounds. Provides medical nutrition therapy (MNT) to promote health and provide nutrition care services in the treatment of diseases on various units including: ICU, step down, medical surgery floor, and a level II NICU. Participates as an active member of the virtual nutrition support team for OhioHealth. Hosts heart healthy classes for the community. Provides dietetic support to home health patients.

Dietary Solutions

Registered Dietitian, April 2012 to December 2013

Completes or oversees all documentation, nutrition assessments, MDS documentation, plans of care, and progress notes in a timely manner. Utilizes current nutrition principles to maintain and improve nutritional status of residents.
